

City of Brea

May 7, 2009

Cathy Creswell, Deputy Director
Division of Housing Policy Development
Dept. of Housing and Community Development
1800 3rd Street, Room 430
Sacramento, CA 95814

Re: City of Brea 2008 General Plan Annual Progress Report

Dear Ms. Creswell:

The City of Brea is pleased to provide HCD with its annual progress report of the City's General Plan. In 2008, the City continued to implement the Goals and Policies that were laid out in the comprehensive update to the General Plan adopted in August 2003. As required by Section 65400 of the California Government Code, the following is an annual report on the status of the plan and a report on Brea's progress in meeting our share of the Regional Housing Needs Assessment established through the Southern California Association of Governments.

Feel free to contact Shaveta Sharma, Assistant Planner, via email at: shavetas@cityofbrea.net or by telephone at (714) 990-7674 to discuss any comments or questions.

Sincerely,

Charles View, AICP
Development Services Director

BY: Charles View, Development Services Director 

DATE: April 1, 2009

SUBJECT: GENERAL PLAN ANNUAL PROGRESS REPORT FOR 2008

In 2008, the City continued to implement the Goals and Policies that were laid out in the comprehensive update to the General Plan adopted in August 2003. As required by Section 65400 of the California Government Code, the following is an annual report on the status of the plan and a report on Brea's progress in meeting our share of the Regional Housing Needs Assessment established through the Southern California Association of Governments.

The Brea General Plan is organized into six sections identified as "chapters," each of which includes one of the state mandated elements of a General Plan, consistent with, and pursuant to, Section 65300 of the California Government Code. The following report is organized into the chapters from the General Plan. Attached for your reference, Table 1-1 from the General Plan identifies the location of the mandated elements within the chapters. The first appendix of the General Plan, Appendix A: Implementation Guide (attached), provides the overall direction and the specific Policies that are to be carried out to fulfill the City Council adopted Goals intended to be reached as a result of the General Plan Update.

Community Development

Land Use – In pursuit of the Policies of Goal CD-7 and Policies CD-8.1(2), CD-8.8, and CD 1.9, the Planning Commission recommended its approval of various entitlement actions that would allow for the implementation of the La Floresta Development project. This project proposes the construction of 1,357 units which includes 115 very low and low income housing units, 269 active adult senior units, and a blend of 222 independent and assisted living senior units. A noteworthy element of the project is that it features a commercial core with a compact, pedestrian-friendly layout that minimizes the reliance on the automobile for this community. This project is anticipated to go to City Council hearing for final project review in 2009.

Staff has also continued to work on final Zoning Code Updates to ensure consistency with the General Plan. Furthermore, through these zone change initiatives, staff has worked to update the zoning map to assure it is consistent with the adopted Land Use Policy Map, pursuant to CD-5.3 and CD-4.4

As encouraged in Policies CD-1.7 and CD-1.8, staff is continuing to collect development fees to fund the acquisition and improvement of trails, and to require developers to provide the open space

linkages and trails depicted on Figure CR-2 of the General Plan. Staff has worked extensively on this effort in the La Floresta Development, Canyon Crest Estates, and the Brea Plaza expansion projects.

Consistent with Policies CD-3.2 and CD-3.6, staff assessed the feasibility of providing a regularly scheduled transit service to the northwest neighborhoods with larger concentrations of older residents and others that rely heavily on public transit. In 2008, the Brea Trolley ran a north-south loop route on Tuesdays and Thursdays between 11 a.m. and 2 p.m. This route takes approximately 25 minutes with stops at Brea Woods (Senior Apartments), Heritage Plaza (Senior Apartments), Pepper Tree Homes, Brea Downtown, Senior Center, Brea Community Center, Brea Mall, Market Place, and Brea Canyon Villas.

Circulation –In keeping with CD-7, the City worked with Caltrans to finalize approval of a traffic signal in the Carbon Canyon area of Olinda Village. The City also began and finished construction of the Smart Street noise attenuation walls along Imperial Highway to minimize impacts to the existing residential neighborhoods. Consistent with the Policies of Goals CD-13, staff continued to work with developers of project proposals such as La Floresta in ensuring that adequate urban walkways and trail systems are incorporated into new development proposals.

Public transportation efforts, as called for in Goal CD-12, have continued to be implemented. To fulfill Goals of the Circulation Element, staff has worked with OCTA as called for in various General Plan Policies. With financial support of OCTA, the Senior Mobility program has continued to transport senior citizens to the Senior Center to participate in the Senior Nutrition program. The General Demand Program continues to provide curb-to-curb service for \$1 at specific times of the day as well. The Trolley program has continued to provide a fixed route service for citizens. Three new bus shelters were also installed on Imperial Highway early in the year. In 2008, a new taxi voucher program was introduced, whereby pre-qualified seniors, too frail to use public transit, are permitted to use taxis for medical and grocery needs.

Infrastructure – Efforts in infrastructure improvements are facilitated through the City's CIP projects. In keeping with Policy CD-14.2, water main replacements were performed, storm drains were replaced and upgraded, and the Master Plan Sewer Upgrade Phases I and II were completed. Additionally, water and sewer rates were updated to recover the cost of providing such services. During 2008, numerous street improvement and rehabilitation projects were also performed, including intersection and traffic signal improvements, Brea Senior Center improvements, Pioneer Hall improvements, and Museum water proofing.

As specified in Policies CD-14.1, CD-14.2, and CD-14.4, new development proposal review includes checking for consistency with water, power, and waste infrastructure. In addition, impact fees continued to be applied to new development to pay for needed infrastructure improvements. The City also continues to participate in, and meet all requirements of, the Orange County Storm Water Management Plan. Furthermore, stormwater quality outreach and public education is still a priority.

Growth Management – Staff continued to work in regards to Growth Management Goals by cooperating in the annual Congestion Management Plan update and being active in OCCOG, SCAG and other regional bodies, as set forth in Policies G-27.1 and G-28.1. Applications for infill housing and second units also help to carry out the vision expressed for Growth Management through Policies CD-27.4 and CD-27.5. The Planning Commission approved La Floresta development and Olen Apartment project applications which are excellent examples of infill projects that fulfill the Policies of the Growth Management Goal.

In keeping with Policies CD-26.3, 27.1, .4 and .5, 28.1, .2 and .3, Brea continues to actively participate in regional land use and transportation planning through the Southern California Association of Governments, Orange County Transportation Authority, Four Corners Group and Orange County Council of Governments. Additionally, staff is active on the Hillside Open Space Education Coalition and Orange County Senior Housing Council.

Economic Development – The Policies contained in Goals CD-1, CD-4, CD-6 and CD-23 call for the use of redevelopment set-aside funds and other funding mechanisms to assist with the development of work force housing. In these efforts, the Economic Development Department provided a loan to KDF Communities for the purchase of Imperial Terrace and Imperial Park Apartments for the acquisition and rehabilitation of 92 units. The units will be preserved as long-term affordable housing.

East Acacia Street saw significant change and improvement during 2008. Rehabilitation has been completed on the blighted four-plexes which were purchased by the Agency last year. The 16 units will be sold to a non-profit to be rented to very-low- and low-income tenants. The Agency selected Jamboree Housing to negotiate a sales agreement.

The Neighborhood Enhancement Program continued as called for in Policy 1.12 with the administration of CDBG grants and loans. The Economic Development Department also sponsored the Paint Your Heart Out Program to support efforts of this Policy. They also actively worked during 2008 to acquire property within the abandoned sections of railroad right-of-way to implement the Rails to Trails Program (CR-3.7). Four grants have been awarded to the program and two others are pending.

Two deteriorated alleys were reconstructed during 2008. The Sievers Alley improvement project included adding a concrete gutter down the center of the alley to improve drainage, a neighborhood cleanup of trash and debris, replacing fencing with privacy slats along the alley and fresh paint on walls and fences. The Walnut Alley improvement project included resurfacing the deteriorated asphalt, replacing the concrete gutter and reconstructing one of the alley entry driveways. These improvements make the alleys more visually appealing for both the adjacent residents and the neighborhood.

As called for in the Policies of Goals CD-23, CD-24, and CD-25, staff continues to be active in maintaining and facilitating the Business Retention and Attraction Program. This has been performed through a regional marketing plan, coordination of the Economic Development Committee, the North Orange County Partnership, monthly Business Outreach visits, and participation in Orange County Business Council activities. Further efforts to fulfill the above-mentioned Policies include continued coordination with the Chamber of Commerce to address the needs of existing and future businesses in the community.

Community Resources

The Parks, Recreation and Human Services Committee and Community Services staff conducted an annual review and update of the City's Recreation Master Plan to insure current needs and services are balanced. Policies CR-1.1 – CR-1.7 call for the creation of new park space with development proposals to enhance the overall availability of parks for our growing community. In fulfilling this Policy, staff continues to work with developers to integrate park space within new developments. Staff has approved conceptual plans for Wildcatter's Park, a fourteen acre amenity that includes both passive and active elements. Wildcatter's Park will be located within the Peppertree Hills development, north of Lambert Road, between Wildcat Way

and Valencia Avenue. The construction of the City's Sports Park project remained a priority in 2008, as established in Policies CR-1.1 – CR-1.7, and completed construction in late 2008. Another example of this continuous effort is the La Floresta development which includes integrated trail systems and open space amenities, both at the former Hartley Center site and the Birch Hills Golf Course.

Trails have continued to be a priority of the City, as called for in the Policies and Goals of CR-7 and CR-8. The City has worked extensively with State and Federal agencies to integrate planning and funding of recreation and trail facilities and to implement related General Plan Goals and Policies. The Rails to Trails Program discussed in the Economic Development section calls for land acquisition for trails as directed by Policy CR-3.4. And, staff continues to work with developers in projects such as La Floresta, Peppertree Hills, and Canyon Crest to integrate trail systems in each project.

Ongoing efforts in fulfillment of the National Pollution Discharge Elimination System (NPDES) and a variety of storm water control system improvements were continued, as directed in Goals CR-11 and CR-12. Water conservation was also enhanced by requiring the use of drought tolerant plant materials for private development and using drought tolerant materials for public projects. Air quality improvement efforts over the last year have included institution of the lunch-time trolley to reduce vehicle trips in Brea's Downtown, an interest from the private sector to pursue mixed use projects in Brea, and renewal of the City's program to support the scrapping of older, more polluting vehicles.

The commitment to maximize use of available recreation programs and cooperative efforts with Brea Olinda Unified School District called for under Policies CR-3.1, and CR-3.2 continue. Policies of Goals CD-1, CD-3 call for annual assessments of park resources and amenities. In support of this goal, the City has spent over \$405,000 in Proposition 12 grant funds to enhance existing park facilities. These enhancements include such things as bleachers replacement, lighting at Arovista Park, a fence to enclose Olinda Ranch Park, skate park cameras, playground enhancements at the Brea Community Center, Pioneer Hall enhancements, and various improvements (shade structure, monuments sign, outdoor signs) at the Olinda Oil Museum and Trail.

Staff continues to encourage eligible property owners to utilize Mills Act loans and to place their property on the Historic Registry Listing, as called for in Policies CR-14.4 and CR-14.5. A total of 54 resources are now listed on the Historic Register with an increase of two historic homes during the past year.

Community Services

As expressed through Policy CS-1.1, the Brea Community Center (BCC) remains the focal point for ongoing activities supporting the Brea community. The average attendance of the BCC is now over 8,000 people per week. Classes/programs offered at the BCC this past year included Parent's Education classes, preventative medical screening, a full dental clinic, and many more. As called for in Policies CS-1.1 and CS-1.4, special emphasis is placed on Brea's after school program for grade school ages and a teen center for the teen population. The Teen Zone completed its renovation with new amenities such as desktop computers, carpeting, television, a stereo system, and couches. In addition, the Student Advisory Board (SAB) continues to explore and design and implement a variety of workshops on teen-related topics for the participants, e.g. teen stress and anxiety, understanding diversity, and conflict resolution. The City's after school programs continue to operate and will be enhanced through additional grant funding to support transportation for Brea youth to the BCC. The Family Resource Center

housed at the BCC, as emphasized in Policy CS-1.1., provides extensive family support programs, such as rental and utility bill assistance, groceries and gas vouchers, financial consulting, and family counseling, and the BCC is also home to Early Childhood Education programs. Two local hospitals (St. Jude and UCI Medical Center) provide physicians as guest speakers.

The Brea Senior Center provides home delivered meals to home-bound seniors. This program is operated by volunteers. The Senior Center itself continued to offer a variety of programming and services to the local senior community, including enhanced "Senior Stay Fit" programs that provide seniors with regular exercise classes. These classes feature the Arthritis Foundation Exercise program, tai chi, hatha yoga, balance and mobility training, and physical fitness training. The Senior Nutrition Program continues to offer meals at the Center to seniors who are either driven there or receive transportation through the City operated shuttle system.

The Art in Public Places (APP) Program is cornerstone of the community, providing highly visible, accessible art experiences. Currently over 150 large, outdoor art sculptures are a feature on private developments throughout the City. The Community Services Department and Cultural Arts Commission expanded Brea Gallery's art education opportunities for students and adults by offering a variety of lectures and design projects with artists in exhibit. In keeping with Policy CS-6.1, the Curtis Theater again hosted a variety of live performances for all age groups, including Community Theater and family films. The City also sponsors live concerts and presentations in City Parks during summer.

Public Safety

The Brea Police and Fire Departments continue to enhance their services to our community through strategic deployment of personnel and utilization of resources. In keeping with Policies PS-1 and PS-2, staff actively participated in the design review and construction process for new developments including Canyon Crest and La Floresta. Attention to fire prevention measures in the high fire hazard zones remains a focus area of the Fire Department.

Policy PS-1.2 calls for coordinated efforts in the realm of technology and public safety. In that effort, the Department's digital recorder program is now fully functional. This system helps us to maintain and categorize our field contacts. It also serves as an investigative tool in addition to assisting with the prosecution of criminal cases.

The Fire Department has also continued to implement Policies PS-1.2, PS-6.1, through its Weed Abatement Enforcement Program and compliance with the Very High Fire Hazard Areas code requirements for new residential construction such as Walden Estates.

The Community Action Patrol (CAP), as called for in Policy PS-1.4, continues to be implemented. CAP provides a valuable service by handling vacation house-checks and other miscellaneous duties that free up police officers for more pressing matters. Collectively the volunteers worked over 4,000 hours. The Police have also performed Emergency Management Systems training and worked on evaluating the effectiveness of Brea's Emergency Operations Center in conjunction with Policy PS-1.10. All Staff and Supervisors completed required training in the Incident Management System. This was put to the test and proved to be of value during the Freeway Complex Fire of late 2008.

Additionally, the Police Department has entered into a pilot program concerning victim's rights in efforts towards Policy PS-1.11. The Police Department continued to reach out to the community through the Citizen's Academy and Community Action Patrol and to schools through the

S.A.F.E. Program. In the spirit of drug prevention and cooperation the Police Department and the Brea-Olinda School District developed a drug Canine program. The narcotic detection trained Labrador was redeployed from a task force position and will be utilized at the High School, Junior High, and for potential presentations at the elementary level.

Hazards management as called for in Policies PS-4 and PS-5 continue as part of the ongoing operations of the Maintenance, Fire, and Development Services Departments. Response times, DUI enforcement, and traffic violations such as red light enforcement also continue to be priorities of the Police Department.

During 2008, the City of Brea experienced its most significant disaster in 20 years when a wind-driven brush fire swept across the northern boundary of the City. This fire ultimately merged with another fire to become what is now known as the Freeway Complex Fire, with significant impact on the Carbon Canyon communities of Olinda Village and Hollydale Mobile Home Park. This incident required the response of every facet of public safety in the City of Brea as well as a significant commitment of additional City personnel for a three day period from November 15-17, 2008. Besides the expected firefighter response, Police personnel coordinated evacuations in several neighborhoods impacting approximately 1,115 households; Maintenance Services personnel provided field support for fuel for fire engines, water for firefighting, equipment, barricades, etc., the City activated it's Emergency Operations Center fully to coordinate the flow of information to the public and other regional response agencies, and a shelter for over 100 residents was set-up and staffed by Community Services personnel.

Brea fared better than its neighboring communities with a total of 4 homes and 1 school facility destroyed and 6 properties suffering partial damage. This was due to appropriate levels of fire personnel as called for in PS-1.4. The presence of a strong emergency preparedness training program, progressive fire prevention efforts in the high fire hazard areas, long-standing mutual aid programs and strong inter-agency relationships at the city, county, region and state levels all allowed for an effective response to ensure the protection of life and property here in Brea. Efforts are on-going to identify and enhance procedures utilized in this response to ensure future responses afford the highest level of safety within the community, in keeping with PS-1.9.

Housing

The current Housing Element was updated and adopted by the City Council in August 2009, and will be effective for years 2008-2014. Brea spent the early half of 2008 gathering the necessary housing data and public input needed to prepare the required update. The Element includes provisions that show Brea's commitment for compliance with SB 2 (Emergency Shelters) by designating the Light Industrial zone (M-1) as the land use area most appropriate for this necessary land use. Like our the previously adopted Element, the Goals and Policies of the new Element will continue to address Brea's identified Regional Housing Needs Assessment (RHNA) which was allocated at 2,048 units for our current housing cycle of 2008-2014. The Housing Element was adopted by the City Council in August 2008, it was sent to State Housing and Community Development for final review and certification which was received on January 30, 2009.

As part of our housing efforts in 2008, the City of Brea continues to strive to encourage construction of a variety of housing types for all economic levels, as called for in the Goals and Policies of the Housing Element. The La Floresta and the Canyon Crest housing projects continued in their City entitlement review. The La Floresta development proposal includes

1,335 residential units (a mixture of condominiums and single-family homes for seniors, single-family homes for all ages, townhomes, apartments, live-work lofts, and an assisted living community) while 165 executive-sized, single-family homes on estate-sized lots are proposed by the Canyon Crest project located in Carbon Canyon. The La Floresta project received the support of the Planning Commission in late 2008 and will go to City Council review and consideration in 2009. Likewise, the Canyon Crest project was also heard before the Planning Commission and received its recommendation for approval in 2008 and is now ready for final action before the City Council. The construction on the approved multi-family project at Olen Point also began in 2008. The Olen Pointe Apartments will consist of 260 apartment units (52 of the units to have rents classified as affordable). The ongoing use of the mandatory 10% inclusionary housing ordinance is key to Brea's success in producing workforce housing units. City actions to further the goals and programs of the General Plan included raising the limit available for down payment assistance through the Homebuyer Assistance Program, active promotion of the housing rehabilitation loan programs, providing the Senior Subsidy Program, and the retention of a part-time neighborhood coordinator to manage the preservation of Brea's neighborhoods all remain in place.

Brea continues to successfully implement the numerous housing goals and programs of the Housing Element. Staff continues to work closely with the development community to encourage the development of housing in Brea. Because of programs identified in the Housing Element, like financial assistance from the Redevelopment Agency, Brea is able to partner with for-profit and non-profit developers to create new housing units at all income levels.

Brea's General Plan continues to maintain its compliance with the State General Plan guidelines pursuant to Section 65040.2 of the Government Code. We look forward to continued progress throughout 2009.

Appendix A

IMPLEMENTATION GUIDE

THE CITY OF
BREA
GENERAL PLAN

Appendix A

IMPLEMENTATION GUIDE

The General Plan Implementation Guide provides a guide to implement adopted General Plan policies and plans for City elected officials, staff and the public. The purpose of the Implementation Guide is to ensure the overall direction provided in the General Plan for City growth and development is translated from general terms to specific actions.

Each implementation measure is a program, procedure, or technique that requires additional City action. This action may either occur on a City-wide basis, or in individual subareas. Some of the implementation measures are processes or procedures the City currently administers on a day-to-day basis (such as development project review), while others identify new programs or projects that will become day-to-day planning activities in Brea. The City Council, by relating the Implementation Guide to the General Plan, recognizes the importance of long-range planning considerations and budgeting to such day-to-day activities. Implementation of the specific programs will be subject to funding constraints.

The Implementation Guide is organized into five subsections that correspond to the General Plan Chapters. Each of the subsections is comprised of programs that directly relate to the policies and plans of the corresponding General Plan element.

Use of the General Plan Implementation Guide

The Implementation Guide is intended for use as the basis for preparing the Annual Report to the City Council on the status of the City's progress in implementing the General Plan, as described in Section 65400 of the California Government Code. Because many of the individual actions and programs described in the Implementation Guide act as mitigation for significant environmental impacts resulting from planned development identified in the General Plan, the annual report can also provide a means of monitoring the application of the mitigation measures as

Imagine Brea

required by AB 3180. This Implementation Guide should be updated annually with the budget process and whenever the City's General Plan is amended or updated to ensure continued consistency and usefulness.

Community Development
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies			
					Community Development	Housing	Community Resources	Community Services
SECTION I: LAND USE								
Citywide								
CD-1.1	Revise the zoning ordinance and map to reflect the adopted Land Use Policy Map, and implement the updated ordinance and map over time.	Development Services	General fund	By the end of 2004; Ongoing				
CD-1.2								
CD-1.4								
CD-1.5	Use redevelopment set-aside funds and other funding mechanisms to assist with the development of work force housing.	Economic Development	Redevelopment					
CD-1.9								
CD-1.11								
CD-4.4								
CD-6.6								
CD-1.3	Structure zoning ordinance use regulations to allow a broad range of commercial and industrial businesses.	Economic Development	General fund	Ongoing				
CD-1.6	Create partnerships with the Chamber of Commerce and other local organizations to attract new businesses to the community.							
CD-1.7	As part of a development impact fee program, collect funds for the acquisition and improvement of trails shown on Figure CR-2 of the Community Resources Chapter.	Development Services	Impact fees	Establish program by end of 2005; Ongoing				
CD-1.8	Require developers to provide the open space linkages and trails shown on Figure CR-2 of the Community Resources Chapter.							
CD-1.10	Revise zoning regulations for residential zones to ensure maximum preservation of open space resources.	Development Services	General fund	Revise ordinance by end of 2004				
	Cooperate with conservation agencies in their efforts to acquire open space. Cooperation may include partnering City funds with private sources for strategic open space acquisitions.		Mitigation payments					
CD-1.13	Conduct a study to determine whether existing residential zoning regulations adequately address the suitability of additions to existing residential units, the bulk of residential development, particularly as it pertains to established neighborhoods. If the study points toward a need to revise standards, revise standards accordingly.	Development Services	General fund	Ongoing				
CD-1.12	Continue the use of the City's housing rehabilitation loan program and NEIGHBORHOOD ENHANCEMENT PROGRAM.	Economic Development	Redevelopment Funds; Community Development Block Grants (CDBG) funds	Ongoing				
CD-1.14	Authorize funds annually and identify necessary staff resources to allow continued implementation of the Neighborhood Preservation Ordinance.	Development Services	General Fund	Annually				
Focus Areas: Northwest Neighborhoods								
CD-2.1	Develop and adopt design guidelines for residential development.	Development Services	General fund	By the end of 2005				
CD-2.2	For all new residential development proposals, require that street and/or pedestrian connections are provided between existing development that abuts the new development and that new development.	Development Services	Application fees	Ongoing				
CD-2.3	Study the recommendations of the Street Design and Traffic Calming Recommendations for Neighborhoods 4 and 6 in the City of Brea, CA study, and prioritize recommended improvements.	Development Services	General fund; CIP funds	Complete analysis by 2006; implement improvements as funds available				
CD-4.3	Identify where such traffic calming devices could be effective in reducing speeds on other residential streets.	Economic Development	Redevelopment funds					
CD-2.4	Continue to implement City ordinances regulating street trees and landscaping.	Development Services	General fund	Ongoing				

Community Development
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CD-2.5	Utilize grant and loan programs to assist small businesses with facade enhancements.	Economic Development	Redevelopment funds; Community Grants (CDBG) funds	Ongoing					
CD-3.1	Enhance and emphasize Puente and Berry Streets as primary pedestrian routes to Central Avenue by enhanced landscaping and improved pedestrian safety.	Development Services, OCTA	Capital Improvement Program (CIP) funds	Ongoing					
CD-3.2	Investigate the feasibility of establishing daily, regularly scheduled transit service throughout the Northwest neighborhood and other areas of the City with concentrations of older residents and others that rely heavily on public transit.	Development Services, OCTA	OCTA Federal grants	Investigate by end of 2005, implement as needed					
CD-3.2	Investigate the feasibility of establishing daily, regularly scheduled transit service throughout the Northwest neighborhood	Development Services, OCTA	OCTA Federal grants	Investigate by end of 2005, implement as needed;					
	With redevelopment of commercial sites within the area, consider establishing a senior center as part of any mixed-use development.	Economic Development Department	Redevelopment funds	As development is proposed					
CD-3.4	Work with Chamber of Commerce to help encourage local retail businesses to market and serve residents in the Northwest area.	Economic Development, Chamber of Commerce	General Fund	Ongoing					
CD-3.5	Extend the Downtown directional signage program to Central Avenue.	Development Services	Redevelopment funds	By 2004;					
CD-4.2	Establish streetscape/landscape design plans for Central Avenue and Puente and Berry Streets consistent with the Public Realm Urban Design Palette in the Community Development Chapter.		Capital Improvement Program (CIP) funds	By 2006					
Focus Areas: Downtown Brea									
CD-4.1	Use the City's business and Attraction Program to help diversify the mix of Downtown businesses by attracting new businesses and expanding existing businesses.	Economic Development	General fund	Ongoing	CD-21.1 CD-21.3 CD-21.6 CD-22.1 CD-22.2 CD-22.4 CD-22.5 CD-23.1				
CD-4.4	Revise zoning regulations to be consistent with the Land Use Plan of the General Plan, which plans for mixed-use development along the Brea Boulevard and Birch Street corridors.	Development Services	General fund	By the end of 2004					
CD-4.5	Ensure Birch Street Streetscape Improvements include signage and landscape links between Downtown and Civic Center/Brea Mall area, as well as public plaza areas.	Development Services	Capital Improvement Program (CIP) funds	By 2004					
CD-4.6	Work with Cultural Arts Commission and Recreation Services to promote Brea's heritage through artwork, signs, preservation, recreation programs, events, and historical structures throughout the City and in City park lands.	Cultural Arts Commission, Recreation Services	General fund	Ongoing	CD-5.6		CR-14.7 CR-14.8 CR-14.9 CR-15.3 CR-15.5 CR-15.6	CS-5.1 CS-5.2 CS-5.4 CS-5.6	
CD-4.7	Use Federal, state, non-profit, and private programs and resources to promote Brea's historic resources.								
CD-4.8	Conduct a study to determine whether a trolley system that serves Downtown Brea and surrounding areas is feasible.								

**Community Development
Brea General Plan Implementation Guide**

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
Focus Areas: Historic Brea									
CD-5.1	Establish streetscape/landscape design plans for South Brea Boulevard and Historic Brea that complement the existing historic environment and resources. Ensure plans are consistent with the Public Realm Urban Design Palette in the Community Development Chapter.	Economic Development	Capital Improvement Program (CIP) funds	By 2006					
CD-5.2	Revise the zoning ordinance and map to reflect the adopted Land Use Policy Map, and implement the updated ordinance and map over time.	Community Services, Economic Development							
CD-5.3	Continue to implement the Neighborhood Enhancement Plan allowing for various rehabilitation programs.								
CD-5.4	Update and amend the Brea Towne Plaza Specific Plan to include updated standards on design guidelines for commercial development for South Brea Boulevard that respect and complement the historic character of surrounding neighborhoods.								
CD-5.5	Encourage ownership housing types such as condominiums and townhouses within in the Mixed Use III area in South Brea Boulevard.								
CD-5.6	Investigate the potential of creating historic districts, conservation districts, and/or preservation overlay zones within the City. Amend the Historic Preservation Ordinance in developing criteria for district designation and include appropriate regulations to safeguard historic resources within the delineated district.	Development Services	General fund,	Investigate by end of 2005			CR-14.2		
CD-5.7									
Focus Areas: Carbon Canyon and Olinda Village									
CD-7.1	Update and continue to implement the Brea Hillside Management Ordinance.	Development Services, Fire and Police Services	Development fee, Environmental impact mitigation	By the end of 2004;					
CD-7.3	Implement the Hillside Development Policy within the Land Use Section of the General Plan.			Ongoing					
CD-7.4									
CD-8.2									
CD-8.3									
CD-8.7	Require development proposals, particularly in sphere of influence and hillside areas to preserve, restore, and enhance existing wildlife corridors, habitat, and roadway crossings.	Development Services	Development fee, Environmental impact mitigation	Ongoing			CR-10.3 CR-10.5

CD-7.8	Investigate alternatives to the Carbon Canyon Specific Plan for regulating land use within this area. Determine whether the Plan is feasible to implement with respect to biological, infrastructure, circulation, and topographical constraints.	Development Services,	General fund	By the end of 2003					
Hillside and Unincorporated Brea									
CD-8.4	Work with Integrated Waste Management Department of Orange County (IRWD) to ensure the proposed end use of the landfill is a county regional park.								

Community Development Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CD-8.5	Collaborate with Federal, state, regional, local, non-profit, environmental and conservation organizations, and private entities to conserve, protect, and enhance open spaces and natural resources throughout Brea's Planning Area.	Development Services	General fund	Ongoing	CD-1.7		CR-4.3 CR-5.3		
CD-8.6	Review development proposals to ensure projects are integrated into City's circulation system.	Development Services	Development fees	Ongoing					
CD-8.8	Work closely with the County of Orange to emphasize the City's need to participate in development review process of projects within Brea's sphere of influence and surrounding unincorporated	Development Services	General fund	Ongoing					
Southeast Brea									
CD-9.1	Work with the Economic Development to assist in attracting new commercial businesses in Southeast Brea that complement rather than compete with businesses along Imperial Highway and Downtown. Also assist in attracting an established quality educational institution in this area such as a community college or a unique small-scale school such as an art college.	Development Services, Economic Development	General fund	Ongoing					
CD-9.4									
CD-9.2	Require development proposals to include improvements for an urban and walkway trail system including, but not limited to access points, landscaping, proper lighting, intersection improvement, decorated accent paving materials, and other pedestrian improvements. Ensure easy linkages to important activity areas such as schools, commercial areas, cultural and social centers and other high pedestrian activity areas.	Development Services, Recreation Services	Development fees	Ongoing	CD-2.2 CD-2.3 CD-2.4 CD-2.5 CD-6.2		CR-7.1 CR-7.2 CR-7.5		PS-2.2 PS-2.3 PS-3.1 PS-3.2 PS-3.3
CD-9.3	Assess the existing park and recreation system according to the standards established in the Parks and Open Space Section. Require dedication of park facilities, a fee in lieu thereof, or a combination of both, as a condition of new development pursuant to the Quimby Act. Also encourage the development of parks and recreational facilities by the private sector, but available for use by the public. Annually review park facility dedication and development fee requirements to ensure they reflect changing needs of the community, population growth, and current land and construction costs.	Recreation Services, Development Services	Development fees, General fund, Park dedication	Annually	CD-1.7 CD-1.8		CR-6.2 CR-6.3 CR-6.4 CR-6.6 CR-6.7	CS-2.1 CS-2.2 CS-2.3 CS-2.4	PS-2.3 PS-3.1 PS-3.2 PS-3.3
CD-9.5	See Housing Element								
CD-9.7	Have the Community Services Department to explore different cultural art options for the reuse of the Unocal center theatre.	Community Services	General fund	By the end of 2005 or after development of the Unocal Research Center					
SECTION III: CIRCULATION									
Regional Transportation Facilities									
CD-10.1	Coordinate planned development in the planning area with needed improvements to the regional circulation system by:	Community Development, OCTA, Caltrans	General fund	Ongoing	CD-26.1				
CD-10.2									
CD-10.3									
CD-10.4	1) Supporting improvement of all regional highways and freeways in the area with Caltrans; 2) Cooperate with surrounding jurisdictions to ensure efficient operation of the arterial network; and 3) Coordinating with Orange County Transit Authority (OCTA) regarding the planned regional network improvements and transit services.								

Community Development
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CD-10.4 CD-10.6	Create a special study area for Carlon Canyon Road to analyze local and regional impacts and alternatives to improve congestion on this roadway.	Community Development	General fund	Complete 2005					
Local Circulation System									
CD-10.5	Work closely with OCTA to amend the Master Plan of Arterial Highways as follows: <ul style="list-style-type: none"> Reclassify Puente Avenue and Whittier Boulevard as a Collector Arterial. This modification accurately represents the function of this roadway. Reclassify Brea Canyon Boulevard (north of Lambert Road) as a Collector. The Collector classification best reflects the function Brea Canyon Boulevard serves during most travel hours. Only during the evening commute does the roadway experience heavy use, typically as an alternative to the crowded SR-57 freeway. The City will preserve right-of-way adequate for a Minor Arterial, but the Collector designation indicates the anticipated roadway function. Reclassify South Brea Boulevard (south of Imperial Highway) as Primary Arterial. This modification preserves right-of-way consistent with a Major Arterial standard but indicates the City's intention to maintain no more than two travel lanes in each direction. The land use plan provides for South Brea Boulevard to be a mixed-use, pedestrian-friendly district. The wide right-of-way will provide space for on-street parking, pedestrian enhancements, ample landscaping, and street-oriented development. Eliminate Tonner/Valencia Avenue (north of Lambert Road) as Proposed Primary Arterial. Land use policy north of Lambert Road does not support the MPFH alignment, nor does planned densities require a roadway of this size. 	Community Development, OCTA	General fund	Complete MPFH by 2004					
CD-11.1 CD-11.2 CD-11.4 CD-11.7 CD-6.3	Implement the circulation system in the planning area in concert with land development to ensure adequate levels of service and monitor the operation of major streets. Future roadways must meet roadway classification specifications and performance criteria. As traffic approaches the Level of Service standards established in the Circulation section, roadway capacity will be improved by adding through and turn lanes and other transportation measures according to the Arterial Highway Plan.	Community Development	General fund, Measure M revenue, Development fees, Other State and Federal sources, Gas tax revenue	Ongoing					
CD-11.1 CD-13.1	Establish a capital improvement program to address phasing and construction of traffic improvements and capital facilities throughout the planning area. Utilize the Capital Improvement Program (CIP) process to finance and complete the roadway and bikeway improvements specified in the Circulation Section. Update the Capital Improvement Program annually to respond to changes in local priorities and available funding sources.	Community Development	Capital Improvement Program (CIP) funds, Gas tax revenues, Federal Transportation funds	Ongoing					
CD-11.5 CD-11.9 CD-6.4	Revise and/or adopt street design standards, focused on pedestrian and bicycle safety, landscaping, traffic calming, and neighborhood character. If requested by the OCTA, consider requiring land require developers to provide bus loading areas or turnouts for buses.	Community Development, OCTA	General fund	Ongoing					

Community Development
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CD-11.6	To reduce expenditures, improve design, and minimize traffic disruption, coordinate local street improvement with major transportation system improvement projects, such as widening the State Route 57 on and off ramps at Lambert Road.	Community Development, Caltrans	Capital Improvement Program (CIP) funds, Development fees, Gas tax revenue	Ongoing	CD-12.1				
CD-11.10	Coordinate with the school districts and other entities to develop "Suggested Route to School Plans" for all public and private schools in the City and for schools serving students living in Brea. Plans shall identify all pedestrians and bicycle facilities, and traffic control devices for residents to determine the most appropriate travel route. The plans shall also identify existing easements for sidewalks.	Community Development, Brea Clinda School District, La Habra City School District	General fund, Grants	Ongoing					
CD-11.10	Increase priority of pedestrian safety projects (e.g., pedestrian street crossings, sidewalks, or pathways) as part of the Capital Improvement Program. Review the need to install sidewalks or paths and crosswalks on all City streets within one-half mile of all public schools within the City.	Community Development	Capital Improvement Program (CIP) funds	Ongoing					PS-3.1 PS-3.2 PS-3.3
Public Transportation System									
CD-12.1	Work with OCTA to improve transit service and encourage ridership through the following actions:	Community Development, OCTA	General fund, Development fees	Ongoing			CR-6.3 CR-7.1 CR-7.5		
CD-12.2	<ul style="list-style-type: none"> Encourage provision of transit facilities in major new development and major rehabilitation projects; Support OCTA demand-responsive (ACCESS) service and other paratransit operations; Work with OCTA to provide information to the public on available alternative transportation choices and routes; and Incorporate design features into public improvement projects that promote and support the use of public transportation. 								
CD-12.3	Encourage local businesses to provide employees with transit passes or other financial incentives to use transit to commute to and from the workplace.	Community Development	General fund, Private investment	Ongoing					
CD-12.5	Identify bicycle and pedestrian projects in the CIP and through development fees that help to complete or enhance connections to bus stops.	Community Development	General fund, Development fees	Ongoing			CR-6.3 CR-7.1 CR-7.5		
CD-12.6	Work with OCTA and/or require development projects to provide transit stop enhancements including benches, shelters, schedule information, and real-time bus location data. Stop locations should be located near building entrances to encourage bus ridership.	Community Development, OCTA	General fund, Development fees	Ongoing					
Bicycles and Pedestrians									
CD-13.1	Implement the Circulation Plan to ensure Development of bicycles facilities and amenities as follows:	Community Development	Capital Improvement Program (CIP) funds, Development fees	Ongoing			CR-6.4 CR-7.5		
CD-13.3	1) Upgrade existing bikeways and develop new bicycle facilities in accordance with the standards and locations in the Circulation Section;								
CD-13.4	2) Require the provision of secure bicycle parking (e.g., racks, lockers) as part of all future development projects for non-single family residential development;								
	3) Encourage non-residential development projects to include amenities such as showers and lockers for employees to further bicycling as an alternative to automobile travel; and								
	4) Prohibit motorized vehicular traffic on trails, pathways, paths, and dedicated open space areas except for maintenance and emergency purposes.

SECTION IV: ECONOMIC DEVELOPMENT

Tax Base Revenue Growth									
CD-23.1	Continue to implement and update, as needed, the Business Retention and Attraction Program, which includes a regional marketing plan, the Brea Business Beat Program, coordination of the Economic Development Committee, the North Orange County Partnership (NOCP), and participation in the Orange County Consortium, and the Orange County Business Council activities.	Economic Development			CD-4.1 CD-6.5				
CD-23.3									
CD-23.6									
CD-24.1									
CD-24.2									
CD-24.4	Continue to coordinate with the North Orange Partnership (NOCP), Chamber of Commerce, and the Orange County Business Council to address the needs of existing and future businesses in the community. The City will work with these agencies to obtain input from the business community as to the best means for assisting local businesses and maintaining a healthy business environment.	North Orange County Partnership							
CD-24.5									
CD-25.1	Continue to work with the Brea Chamber of Commerce in providing services and programs that meet the needs of Brea's business community.	Brea Chamber of Commerce							
CD-23.2	Revise the zoning ordinance and map to reflect the adopted Land Use Policy Map, and implement the update ordinance and map over time.	Development Services	General Fund	By the end of 2004					
CD-23.5	Continue to implement the Redevelopment Agency's 5-year Implementation Plan, Agency adopted goals, and Project Area Plans.	Economic Development Department	General Fund	Ongoing	CD-6.5				
CD-26.1	Create a program (updated regularly) that identifies and advertises childcare services in the City of Brea to residents, employees, and employees in Brea.	Community Services	General Fund	Complete by 2004, Ongoing					
CD-23.7									
Diversity									
CD-24.3	Work with Family Resource Center to offer educational and training opportunities for Breaans.	Community Services	General Fund	Ongoing					
Expansion of Downtown									
CD-25.2	Review development proposals to ensure proper site design consistent with the Zoning Ordinance Development Standards. Reconfigure parcels consistent with the Subdivision Map Act, to ensure greater street visibility and adequate automobile and pedestrian access.	Development Services	General Fund	Ongoing					
Revitalization of Aging Business Centers									
CD-26.2	Continue to provide low-interest loans to Brea businesses through the commercial Rehabilitation Loan Program that matches loans to businesses of exterior remodeling, common space upgrading, parking improvements, landscape and hardscape upgrades, and signage improvements.								
SECTION V: GROWTH MANAGEMENT									
CD-28.1	Participate in inter-jurisdictional planning forums such as the County of Orange, the Orange County Transportation Authority (OCTA) and other local jurisdictions or other appointed bodies to implement Measure M and the development of future revisions.	Development Services	General Fund, Measure M	Ongoing	CD-9.1 CD-9.2 CD-9.3 CD-9.4				
CD-28.1									
CD-28.1	Participate in the inter-jurisdictional planning forums to discuss traffic improvements, cooperative land use planning and appropriate mitigation measures for development projects with multi-jurisdictional impacts. Work with inter-jurisdictional planning forums to improve the sub regional balance of jobs and housing.	Development Services	General Fund, Measure M	Ongoing					
CD-28.3									
CD-26.3	Cooperate with state, county, and local governments in planning and implementing the City's Circulation Element, and coordinating efforts to ensure orderly development.	Development Services	General Fund, Measure M	Ongoing					
CD-28.2	Coordinate population, housing, employment, and land use projections with the state Department of Finance, Southern California Association of Governments (SACOG), the County of Orange Development Monitoring Program, and local school and water districts.	Development Services	General Fund, Measure M	Ongoing			CR-13.1		
CD-27.1									
C-28.1	Continue to cooperate with the County of Orange in annually updating the Congestion Management Plan (CMP). Participating in the annual CMP update will ensure that the City receives its share of state gasoline sales tax revenue for transportation improvements.	Development Services	General Fund, Measure M	Ongoing					
G-27.4									
G-27.5	Provide incentives for infill development through development and parking standards in the City's zoning code.	Development Services	General Fund	By 2003

Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
SECTION VII: WILDLIFE HABITAT									
CR-8.1	Require development proposals, particularly in sphere of influence and hillside areas to preserve, restore, and enhance existing wildlife corridors, habitat, and roadway crossings. Require development proposals to include the assessment of potential migratory birds and raptor nests (in compliance with the Migratory Bird Treaty Act and the California Fish and Game Code.) Mitigation for the presence of active nests may be conducted in the following ways: • Prior to the commencement of tree removal during the nesting season (February – July), all suitable habitats should be thoroughly surveyed for the presence of nesting birds by a qualified biologist. If any active nests are detected, the area shall be flagged and avoided until the nesting cycle is complete, or • Tree removal and grading may be delayed until after the breeding season (August-January) to ensure that no active nests will be disturbed.	Development Services, United States Fish and Wildlife Service (USFWS), California Department of Fish and Game (CDFG)	Development fee, Environmental impact mitigation	Ongoing	CD-6.2		CR-10.3 CR-10.5		
CR-8.2 CR-9.2 CR-9.3 CR-9.4	Assess development proposals for potential impacts to significant natural resources pursuant to the California Environmental Quality Act (CEQA) and associated state and federal regulations. Require appropriate mitigation for all significant impacts if impact avoidance is not possible. Mitigation measures for habitat and species may include, but are not limited to, avoidance, enhancement, restoration, or a combination of any of the three. Address the following subjects in impact assessment as applicable to individual development proposals: • Natural communities; • Riparian and wetland habitat (including potential jurisdictional areas); • Coastal sage scrub habitat; • Coast live oak habitat; • Rare and endangered plant and animal species; • Habitat fragmentation (including disruption of wildlife corridors); and • Creeks, blue line streams, and associated inhabitants;	Development Services	Development fee, Environmental impact mitigation	Ongoing	CD-6.3		CR-10.3 CR-10.5		
CR-8.3	Require development proposals to consult with regulatory agencies, including the United States Fish and Wildlife Service (USFWS), California Department of Fish and Game (CDFG), United States Army Corp of Engineers (USACE), about natural resources if the following occurs on the project site: • Potential take or substantial loss of occupied habitat for any threatened or endangered species; or • Existing drainage features (jurisdictional area) are located within the project site.	Development Services, United States Fish and Wildlife Service (USFWS), California Department of Fish and Game (CDFG)	Development fees	Ongoing					
CR-8.4	Work with resource agencies, universities, and other groups that help monitor wildlife and determine effectiveness of wildlife corridors.	Development Services	General fund, Development fees	Ongoing					
CR-9.1	Consult with Wildlife Corridor Conservation Authority (WCCA) to provide the proper planning, conservation, environmental protection, and maintenance of habitat and wildlife corridors.	Development Services, Wildlife Corridor Conservation Authority (WCCA)	General fund	Ongoing	CD-6.3				

Community Resources
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CR-9.5 CR-9.6	Investigate and create programs to manage wildlife habitat and natural resources using sound ecological principles and professionally accepted methods to protect and restore sensitive animal populations and their habitats and therefore preventing major disruptions or destruction.	Development Services, Non-profit resource groups	General fund	Establish program by end of 2006; implement as needed					
SECTION IX: SCENIC RESOURCES									
CR-10.1 CR-10.2	Investigate creating program with standards and regulations for scenic routes and highways within the Brea Planning Area. Create program thereafter if deemed feasible.	Development Services	General fund	Investigate program by end of 2005					
CR-10.3	Assess development proposals for potential impacts to significant natural resources pursuant to the California Environmental Quality Act (CEQA) and associated state and federal regulations. Require appropriate mitigation for all significant impacts if impact avoidance is not possible. Mitigation measures for habitat and species may include, but are not limited to, avoidance, enhancement, restoration, or a combination of any of the three. Address the following subjects in impact assessment as applicable to individual development proposals: <ul style="list-style-type: none"> • Natural communities; • Riparian and wetland habitat (including potential jurisdictional areas); • Coastal sage scrub habitat; • Coast live oak habitat; • Rare and endangered plant and animal species; • Habitat fragmentation; • Creek, blue line streams, and associated tributaries; • Significant tree stands. 	Development Services	Development fees	Ongoing					
CR-10.4	Assess development proposals, including those in Brea's Sphere of Influence, for potential impacts to important visual resources identified in the Scenic Resources Section pursuant to the California Environmental Quality Act. Require appropriate mitigation measures for all significant impacts. Consider important ridgelines, creeks, open space, views of the surrounding hillsides, and light and glare effects.	Development Services	Development fees	Ongoing			CR-4.1 CR-5.1		
CR-10.6	Work with Federal, state, regional, and other appropriate public agencies, private entities, and landowners to conserve, protect and enhance natural resources throughout Brea's Planning Area.	Development Services	General fund	Ongoing					
SECTION X: WATER CONSERVATION AND QUALITY									
CR-11.1 CR-11.4 CR-11.5	Encourage water conservation throughout Brea in the following ways: <ul style="list-style-type: none"> • Encourage the Maintenance Services Department to expand the production of recycled water and work with the districts to develop new uses for recycled water; • Require new projects to install and maintain a dual system when reclaimed water is available; • Require the use of drought resistant plant species (native species where possible) in landscaping for private and public areas, including parks; • Work with the Maintenance Services Department on the development of new water sources to serve the Planning Area; • Work with the Brea-Clinda School District to establish water conservation programs; • Require the incorporation of water conservation devices (including low-flush toilets, flow restriction devices and water conserving appliances) in new residential and non-residential development, public projects and rehabilitation projects; and • Continue to implement where applicable, the regulations and requirements in the Water-Conserving Landscape Ordinance. 	Development Services, Maintenance Services	General fund	Ongoing	CD-9.1 CD-9.2 CD-9.3 CD-9.4				

Community Resources

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CR-11.2	Where practical, incorporate Federal, state, and other agency policies and standards for water efficiency (e.g.: reclaimed and recycled water for landscape irrigation) into City codes, regulations, and procedures.	Maintenance Services	General fund	Ongoing					
CR-11.3	Regularly review the water rate structure to ensure that it encourages efficiency and is competitive.	Maintenance Services	General fund	Ongoing	CD-9.1 CD-9.2 CD-9.3				
CR-11.4 CR-11.6 CR-12.1 CR-12.2	To reduce pollutants in urban runoff, require new development projects and substantial rehabilitation projects to incorporate Best Management Practices pursuant to the National Pollutant System Discharge Elimination System Permit (NPDES), Santa Ana Regional Quality Water Control Board, and the County of Orange Drainage Area Master Plan to ensure that the City complies with applicable state and federal regulations.	Development Services, Maintenance Services, Santa Ana Regional Quality Water Control Board, County of Orange.	Development fees, Drainage fees, General fund, state and federal funding sources	Ongoing					
SECTION XI: AIR QUALITY									
CR-13.1	Continue to implement the Transportation Demand Management (TDM) ordinance that implements the provisions of the 1997 Air Quality Management Plan. The ordinance will specify various TDM methods to reduce trips and influence travel modes such as: <ul style="list-style-type: none"> • Trip reduction programs for City staff; • Van pool programs for private employers; • Employee incentives for public transit use; • Preferential parking for carpools; • Trip reduction programs for major commercial centers; and • Alternative transportation modes for major events. Implement the programs described in the Circulation and Land Use Sections related to transportation system management (TSM) to avoid traffic congestion and reduce related emissions levels and urban runoff pollutants resulting from excess vehicle travel miles.	Development Services	General fund	By the end of 2006	CD-11.1 CD-11.2 CD-11.3 CD-11.4 CD-11.5 CD-11.6 CD-12.1 CD-12.2 CD-12.4				
CR-13.2	Promote retrofit programs by the City to reduce energy usage and consequently reduce emissions from energy consumption. Provide informational literature about available retrofit programs at City offices. Inform property owners of retrofit programs when plans for remodeling and rehabilitation projects are submitted.	Development Services, Southern California Gas Company, Southern California Edison Company	General fund, development fees, Southern California Gas Company, Southern California Edison Company	Ongoing					
CR-13.3 CR-13.4 CR-13.5	Review development proposals for potential air and water quality impacts pursuant to the California Environmental Quality Act (CEQA), Orange County Air Pollution Control District, and the South Coast Air Quality Management District (SCAQMD) Air Quality Handbook. Construction impacts can be reduced by enforcing SCAQMD Rule 403. Reduce long-term impacts using available land use and transportation planning techniques such as: <ul style="list-style-type: none"> • Incorporation of public transit stops; • Pedestrian and bicycle linkage to commercial centers, employment centers, schools and parks; • Preferential parking for carpools; • Traffic flow improvements; and • Employer trip reduction programs. 	Development Services	General fund	Ongoing	CD-11.1 CD-11.2 CD-11.3 CD-11.4 CD-12.1 CD-12.3 CD-12.4		CR-7.5 CR-13.4 CR-13.5

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CR-13.6 CR-13.7 CR-13.8	Work with the South Coast Air Quality Management District (SCAQMD) and the Southern California Association of Governments (SCAG) to implement the Air Quality Management Plan (AQMP) and meet federal and state air quality standards for all pollutants. To ensure that new measures can be practically enforced in the region, participate in future amendments and updates of the AQMP. To reduce dust and particulate matter levels, implement SCAQMD's fugitive dust control measures such as: <ul style="list-style-type: none"> • Restricting outdoor storage of fine particulate matter; • Controlling construction activities and emissions from unpaved areas; and • Paving areas used for vehicle maneuvering. 	Development Services, IWMD, and SCAQMD	General fund	Ongoing			CR-13.7 CR-13.8		
SECTION XII: HISTORIC RESOURCES									
CR-14.1	Assess development proposals for potential impacts to significant historic and cultural resources pursuant to 15064.5 of the California Environmental Quality Act.	Development Services	Development fees	Ongoing	CD-5.4				
CR-14.3	Investigate the potential of creating historic districts, conservation districts, and/or preservation overlay zones within the City. Amend the Historic Preservation Ordinance in developing criteria for district designation and include appropriate regulations to safeguard historic resources within the delineated district.	Development Services	General fund,	Investigate by end of 2005;	CD-5.7				
CR-14.4	Research all types of possible funding sources and financial assistance (such as California Mills Act) to help promote, preserve, and restore historical resources in Brea. Such funding sources can include, tax incentives, federal and state funds, grants, awards, loans, and other financial sources.	Development Services	General fund, Tax credits, grants, state and federal funding sources	Ongoing	CD-4.7				
CR-14.6	List historic resources and structures to various Federal, state, and local historic registers, including Brea's Historic Resources Register, to prevent and discourage demolition.								
CR-14.7	Update the City's Historic Resources Register to further increase level of awareness of Brea's historical resources. Continue to add resources that meet City's Historic Preservation Ordinance.								
CR-14.8	Work with Community Services and Recreation Services Department to promote Brea's heritage through artwork, signs, preservation, recreation programs, events, and historical structures throughout the City and in City park lands.	Development Services, Community Services	General fund	Ongoing	CD-4.7 CD-5.6			CS-5.1 CS-5.2 CS-5.4 CS-5.6	
CR-15.3	Use Federal, state, non-profit, and private programs and resources to promote Brea's historic resources.								
CR-15.5	Identify and implement programs to assist and encourage private property owners to preserve historic, cultural, and archaeological resources within the City.	Development Services	General fund	Ongoing					
CR-15.6	Continue to work with the City's Historical Committee and Brea Historical Society to accomplish the goal of increasing awareness of Brea's historic resources and the importance of their preservation. Work with Historical Society in preserving and recognizing City's historical materials and resources. Continue to distinguish resident's hard work for renovating and restoring historic structures with the Brea Historic Preservation Award honored by both the Brea Historical Society and City Council.	Development Services	General fund	Ongoing					
CR-15.2									
CR-15.4	Continue to work with the Brea Olinda Unified School District to provide access to the City's information and structures that reflect the community's history.	Development Services, Community Services	General fund	Ongoing				CS-3.1 CS-3.5

CS-1.4	Identify needed teen prevention programs for particular teen age groups.	Department Community Services Department	General Fund	On-going					
	Continue to market the volunteer program for the older population to tap into their skills and life experiences.	Development Services	General Fund	2005					
	Encourage the development of long term care facilities in Brea that will serve the needs of low-income seniors.	Community Services Department	General Fund	On-going					
	Provide programs and activities that focus on socialization, recreation, health, wellness and education needs at the Community Center. Continue vigorous effort to attract the active senior.	Community Services Department	General Fund	Annually					
	Annually provide documented information on services and programs available in the community for older population.	Community Services Department	General Fund	On-going					
	Continue to support and expand public transportation for seniors.	Community Services Department, Development Services	General Fund	On-going					
	Expand the supply of quality licensed home childcare providers as need is determined through survey data. Explore the feasibility of including child care impact mitigation in development agreements. Continue to be available for cooperative daycare programs with Brea Olinda School District.	Department Brea, Olinda School District, Development Services	General Fund	Conduct survey by end of 2005					
	Continue to provide free meeting space for senior citizens' groups at the Brea Senior Center	Community Services Department	General Fund	On-going					
	Support and sustain the activities of the Brea Senior Center including transportation and the lunch program	Community Services Department	General Fund	On-going					
	Encourage quality services targeted to Brea residents with disabilities, such as Brea Express	Community Services Department	General Fund	On-going					
	Expand and support youth volunteer programs to encourage community involvement.	Community Services Department	General Fund	On-going					
	Support and enhance the Case Management Program, the Homemaker Program, and Respite Service program delivered from the Brea Senior Center for "frail elderly"	Senior Citizen Advisory	General Fund	On-going					
CS-1.1	Develop and expand hotline for teens with updated programs and services.	Community Services Department	General Fund	Implement hotline and other programs by late 2006					
CS-1.2	Investigate the feasibility of Youth Council and annually evaluate the level of participation of Student Advisory Board (7 th & 8 th grades).	Community Services Department, Brea-Olinda School District	General Fund	Begin investigation by 2005					
CS-1.4	Evaluate effectiveness of youth employment program for teens.	Community Services Department	General Fund	Annually					
CS-1.1	Encourage the development of local recreational alternatives for older teens (17-19)	Community Services Department	General Fund	On-going					

Community Services
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies					
					Community Development	Housing	Community Resources	Community Services	Public Safety	
CS-1.1	Continue to strive to establish sports programs to meet the developmental skills differences of youth.	Community Services Department	General Fund	On-going						
CS-1.3										
CS-1.4	Annually evaluate After School Program at the Community Center.	Community Services Department	General Fund	Annual						
CS-1.1	Involve participants and their parents in determining future programs and activities.	Community Services Department, Development Services Department	General Fund	Every 2 years						
CS-1.6	Host a regular "convening" of service group stakeholders every two years. Inform service providers of the volunteer coordinator's role.	Community Services Department	General Fund	End of 2006						
	Create a formal community education system and conduct personal outreach to senior citizens.	Community Services Department, Brea Police Department	General Fund	On-going						
CS-1.2	Increase collaboration between schools, the community center and parents through exchanging activity calendars, and having a contact person at each school, community center, the City and the police department.	Community Services Department, Brea Police Department	General Fund	On-going						
CS-1.3	Encourage bilingual families/parents to volunteer at the community center	Community Services Department	Not applicable	On-going						
CS-1.2										
CS-1.2	Offer a shuttle bus from the community center to the junior high school.	Community Services Department	General Fund	2004						
CS-1.4										
CS-1.3	Offer free/low cost child care at the site of ESL classes.	Community Services Department	General Fund	2003						
	Encourage the continuation and development of after school and evening programs for children and youth. Maximize participation by increasing the number of locations where the programs are provided and supporting transportation options to these locations. Develop a focused implementation plan that will examine the needs of youth, senior, and cultural integration programs in Brea. The Plan will examine existing needs, resources, and service gaps.	Community Services Department, Development Services Department	General Fund, Redevelopment, Impact fees	On-going						
CS-1.4	Create developer incentives such as increased floor area ratio or reduced parking requirements for employers or developers who include child and/or senior care facilities in the design of new housing and commercial buildings. Provide an internet link and description of community clubs on the City's website.	Development Services Department, Development Services Department	Impact fees	2004						
CS-1.4										
CS-1.5	Establish/designate a series of days which focus on specific charitable events/programs that service clubs could jointly support to the level of capability.	Community Services Department	Not applicable	2004						
CS-1.4										
CS-1.5	Look into volunteers at the senior center, cultural organizations and high school students to translate at schools and school events such as during Parent Teacher nights.	Community Services Department, Brea Olinda Unified School District	Not applicable	On-going						
CS-1.6										
CS-1.7										
CS-1.5	Establish "volunteer time" as a community service credit for city employees working for community organizations or at events.	Community Services Department	Not applicable	2003						
	The City shall work with faith based organizations in the community to expand children-oriented services to the youth of Brea.	Community Services Department	Not applicable	On-going						

**Community Services
Brea General Plan Implementation Guide**

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
CS-1.5	Develop a coordination director or liaison between the city and community groups. This position would coordinate the assistance of service clubs to assist/perform charitable programs such as "Taste of Brea", "Fourth of July" and other similar events. This would also help in informing clubs when any city assets/equipment is available/planned for redistribution.	Brea Community Services Department	General Fund	2003					
CS-1.6	Establish tangible incentives and recognition programs to high school volunteers for community service.	Brea Olinda Unified School District	Not applicable	2003					
SECTION XIV: RECREATIONAL SERVICES									
CS-2.1	The City shall strive to meet the growing recreational needs of residents through the acquisition of new programs and recreational facilities. Support community and senior services agencies with developing recreational outreach programs.	Community Services Department	General Fund	On-going Development implementation program by 2005.					
CS-2.2	Work with the Brea Olinda School District to develop after school recreational opportunities for teens and youth.	Community Services Department, Brea Olinda School District	General Fund	On-going					
CS-2.3	Partner with private agencies and employment centers to develop recreational programs such as work-related sports leagues and fitness days.	Community Services Department	General Fund	2003					
CS-2.4	Continue to engage in joint use agreements with the Brea-Olinda School District to further expand recreational facilities.	Community Services Department, Brea Olinda School District	General Fund	On-going			CR-3.2 CR-1.5		
CS-2.5	Continue to support the role of the Parks, Recreation, and Human Services Commission.	Community Services Department	General Fund	On-going					
SECTION XV: EDUCATION SERVICES									
CS-3.1	Work with the Brea Olinda Unified School District to determine ways that schools can be made more available to the community for weekend and evening use. Increase collaboration between schools, the community center and parents through exchanging activity calendars, and having a contact person at each school, community center, the City and the police department	Brea Olinda Unified School District, Development Services Department	General Fund	On-going					
CS-3.2	Cooperate with existing public and non-profit service agencies to develop a service program that will coordinate the efforts of providing education to children and youth in Brea. Provide regular status reports to the Brea Olinda Unified School District on potential and approved development projects. Review development proposals and amendments for consistency with school facility requirements.	Brea Olinda Unified School District, Development Services Department	General Fund	Implement by 2005.					PS ES-1.3
CS-3.1	Explore creating a part-time school and city liaison position.	Brea Olinda Unified School District, Development Services Department	General Fund	Investigate feasibility by end of 2005.					
CS-3.2		Brea Olinda Unified School District, Planning Department	General fund	On-going		ES-1.3			
CS-3.3	Work with the Brea Olinda school district to assess development impact fees and other potential funding sources for the development of new school facilities.	Brea Olinda Unified School District, Planning Department	General fund	On-going					
CS-3.2	Require an assessment of school impacts prior to the approval of development projects that require legislative acts, including general plan amendments and zoning changes.	Brea Olinda Unified School District, Development Services Department	General Fund	Investigate feasibility by end of 2005.					
CS-3.3

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
SECTION XVIII: EMERGENCY SERVICES AND SAFETY									
PS-1.1	Ensure that city staff continues to meet with the Brea Police Department to identify community needs, issues and any impacts that new development might have on police services. Evaluate the need for additional police facilities to serve new development.	Police Services	General fund	Ongoing					
PS-1.2	Coordinate with the Brea Fire and Police Department to determine the need and applicability of new technology and equipment in Brea.	Police Services, Fire Services	General fund	Ongoing					
PS-1.3	Evaluate the number of officers, total population, and crime statistics to ensure that appropriate levels of police protection are provided citywide.	Police Services	General fund	Ongoing					
PS-1.4	Fund appropriate levels of fire personnel, staff, and equipment, to maintain a four- to six-minute emergency response time for fire emergencies.	Police Services, Fire Services	General fund	Ongoing					PS-6.2
	Utilize wildland urban fire hazard mitigation techniques involving vegetation modification including chipping, scattering, multi-cutting, crushing, pruning and other non-fire hazard abatement concepts.	Development Services, Fire Services	General fund	Ongoing					PS-6.2 PS-6.3
PS-1.5	Require new development to pay for increased fire protection as necessitated by a particular development..	Development Services, Fire Services	General fund	Ongoing					
PS-1.6	Require the installation of sprinkler systems in all buildings that are not readily accessible to fire-fighting equipment and apparatus or do not meet minimum fire flow and fire hydrant requirements. Inspect water hydrants and conduct fire-flow tests on an annual basis, with priority given the high-fire-hazard areas.	Development Services, Fire Services	General fund	Ongoing					
		Fire Services	General fund	Ongoing; Annually					
PS-1.7	Continue active community oriented policing programs such as the Brea Bicycle Patrol program and the Community Action Patrol. Require the participation of the Police Department in the development review process relative to building and site plan vulnerabilities to criminal activity and suggested design criteria to mitigate such vulnerabilities.	Police Services	General fund	Ongoing					
PS-1.8	Coordinate with the Brea Fire and Police Department to determine the need and applicability of new technology and equipment in Brea.	Police Services, Fire Services	General fund	Ongoing					
PS-1.9	Biannually evaluate the City's emergency preparedness program to ensure that the City has adequate police, fire and protection services in event of an emergency.	Police Services, Fire Services, Development Services	General fund	Biannually					
PS-1.10	Conduct annual mailings to Brea residents through utility bills that explain the City's Emergency Response Plan, Brea Emergency Operations Center, and appropriate procedures and numbers to call in the event of a disaster.	Police Services, Fire Services, Development Services	General fund	Annually					
PS-1.11	Coordinate with the Brea Police Department to increase public awareness about criminal activity and crime prevention. Maximize the use of after school programs, volunteer programs, Neighborhood Watch programs and other community oriented policing programs.	Police Services	General fund	Ongoing					
PS-1.12	Develop and maintain crime prevention guidelines for building construction. Provide these guidelines to police and code enforcement personnel.	Police Services, Development Services	General fund						
Crime Prevention Through Environmental Design (CPTED)									
PS-2.1	Implement crime prevention through environment (CPTED) design, based upon the concept of defensible space with the establishment of specific design criteria, and the application of that criteria to proposed projects through the development review process. Establish funding sources and priorities, and set forth a phased improvement program.	Police Services, Development Services	General fund						
PS-2.2	Enforce natural surveillance techniques for existing projects and new residential and commercial projects.	Police Services, Development Services	General fund	Ongoing					

Public Safety

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies					
					Community Development	Housing	Community Resources	Community Services	Community Safety	
PS-2.3	Require the participation of the Police Department in the development review process for public areas relative to building and site plan vulnerabilities to criminal activity and suggested design criteria to mitigate such vulnerabilities.	Police Services, Development Services	General fund	Ongoing						
PS-2.4	Examine and maintain a database of structures within the City that are at risk of incidence of or crime. Develop an implementation strategy based upon CPTED design techniques.	Police Services, Development Services	General fund							
PS-3.1	Develop objectives, and detailed standards and guidelines for the treatment of public streetscapes to improve safety and walkability. Recommendations should address street trees, street lighting, street furniture, traffic calming, and other pertinent issues. Establish funding sources and priorities, and set forth a phased improvement program.	Development Services	General fund		CD-12.2		CR-7.1 CR-7.2 CR-7.5			
PS-3.2	Require that adequate safety lighting in pedestrian and parking lots is addressed for all new projects through the development review process.	Development Services	General fund	Ongoing	CD-12.2		CR-7.1 CR-7.2 CR-7.5			
PS-3.3	Develop appropriately designed shielding safety lighting for pedestrian walkways and trails. Establish an implementation plan for development of lighting installation.	Development Services	General fund		CD-12.2		CR-7.1 CR-7.2 CR-7.5			
SECTION XIX: HAZARDOUS MANAGEMENT										
PS-4.1	Minimize public health and environmental risks from the use, transport, storage and disposal of hazardous materials with the following approaches: <ul style="list-style-type: none"> Cooperate with federal, state and local agencies to effectively regulate the management of hazardous materials and hazardous waste; Cooperate with the County of Orange to implement applicable portions of the County Hazardous Waste Management Plan and the Hazardous Materials Area Plan; Identify roadway transportation routes for conveyance of hazardous materials; Implement the emergency response plan for accidents involving hazardous materials; and Cooperate with the Certified Unified Program Agency (CUPA) for the City of Brea (the Orange County Environmental Health Department) and the Orange County Fire Authority to administer risk management plans for businesses within the City. 	Development Services, Maintenance Services, County of Orange, Federal and State Agencies	General fund, federal, state and local regulatory agencies	Ongoing						
PS-4.2	Monitor businesses that transport, handle, and generate hazardous materials to ensure proper disposal.	Development Services, Maintenance Services	General fund	Ongoing						
PS-4.3	Cooperate with the County Household Hazardous Waste Program to protect residents from dangers resulting from the use, transport and disposal of hazardous materials used in the home. The program includes public education about health and environmental hazards of household hazardous materials and periodic collection campaigns at established sites. Educate residents of the nearest location of a hazardous waste disposal site.	Development Services, County of Orange, Environmental Health Department	General fund	Ongoing						
PS-4.4	Provide education and information to the community about: <ul style="list-style-type: none"> Commonly used hazardous materials; More environmentally friendly alternatives; Safe recycling and disposal methods; and Location of nearest household hazardous waste collection center. 	Development Services, County of Orange	General fund	Ongoing						
PS-5.1	Cooperate with the California Department of Conservation, Division of Oil, Gas, and Geothermal Resources to protect residents from dangers resulting from the drilling, operation, maintenance, and abandonment of oil, gas, and geothermal wells and support regulations regarding abandoned oil facilities including both idle and orphan wells.	Development Services, California Department of Conservation-Division of Oil, Gas, and Geothermal Resources	General fund	Ongoing						PS-5.2
PS-5.3	During review of development proposals, require comprehensive investigation, studies, disclosures, and remediation of any former oil field property proposal for an alternative use.	Development Services	Development fee	Ongoing						

SECTION XX: WILDLAND FIRES

Public Safety
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies					
					Community Development	Housing	Community Resources	Community Services	Public Safety	
PS-6.1	Continue to implement the Very High Fire Hazard Area Requirements and the Fuel Modification Plan Guidelines for High Fire Hazard Areas as a preventative measure to avert wildland fires.	Development Services, Fire Services	General fund	Investigate by end of 2005; implement as needed						
PS-6.2	Promote fire prevention in Brea in the following ways:	Development Services, Fire Services	Development fees	Ongoing						PS-6.3
PS-6.3	<ul style="list-style-type: none"> Work closely with the Orange County Fire Authority to implement fire hazard education and fire prevention programs, including fuel modification programs; Utilize wildland urban fire hazard mitigation techniques involving vegetation/fuel modification including chipping, scattering, multi-cutting, crushing, pruning and other non-fire hazard abatement concepts; Coordinate with the local water districts and Orange County Fire Authority to ensure that water pressure for urban and hillside areas and sites to be developed is adequate for fire fighting purposes; and Adopt and implement the Uniform Fire Code provisions and appropriate amendments to reflect the unique Brea topography, climate, vegetation and urban form. 									
PS-6.2	Review development proposals to ensure that the City's four to six-minute fire response time is undertaken.	Development Services, Fire Department	Development Fees	Ongoing						
Flood Concerns										
PS-7.1	Coordinate with the Orange County Flood Control District (OCFCD) to ensure regularly scheduled maintenance of flood control channels and completion of necessary repairs. Coordinate with the OCFCD, Cal Domestic Water Company and Metropolitan Water District (MWD) regarding any needed improvements to existing aboveground water tanks. In addition, work with the District to identify new flood control improvements for existing flood hazards and potential hazards from new development, and establish installation programs for improvements. Require detention basins for new development, where necessary, to reduce flooding risks.	Development Services, Orange County Flood Control District, Cal Domestic Water Company, Metropolitan Water District (MWD)	Development fees, General fund	Ongoing						PS-7.2
PS-7.2										PS-7.6
PS-7.6										
PS-7.3	Continue to participate in the National Flood Insurance Program (NFI) administered through the Federal Emergency Management Agency (FEMA). The NFI program provides federal flood insurance subsidies and federally financed loans for property owners in flood-prone areas.									
PS-7.5	Create an active storm drain inspection program in order to prevent flooding, avoid property damage, and protect surface water quality. Allow the program to evaluate and monitor water storage facilities that might pose an inundation hazard to downstream properties.	Development Services	General fund	Establish program by end of 2007						PS-7.5
SECTION XXII: GEOLOGIC AND SEISMIC CONSIDERATIONS										
PS-8.1	To minimize damage from earthquakes and other geologic activity, implement the most recent state and seismic requirements for structural design of new development and redevelopment.	Development Services	Development Fees, General fund	Ongoing						PS-8.2
PS-8.2	Where geologic instability can be identified and cannot be mitigated, or presence of faulting is identified, use open space easements and other regulatory techniques to prohibit development and avoid public safety hazards.									

Public Safety
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
PS-8.3	During review of development and redevelopment proposals, require surveys of soil and geologic conditions by state licensed Engineering Geologists and Civil Engineers where appropriate. Examples of when these surveys are required are (1) for projects within a State-designated earthquake fault regulatory zones for liquefaction, fault ruptures, and seismically induced landsliding, in accordance with the California Geologic Survey and (2) prior to the development of any area with slopes more than 10 feet high at a gradient equal to or steeper than 2:1.	Development Services	Development fees	Ongoing					
PS-8.4	Develop informational overlays that augment the City's zoning ordinance to identify those areas where more detailed geotechnical studies should be carried out as part of liquefaction-susceptibility investigation, restrict development in liquefaction-prone areas, or to establish specific building design standards aimed at reducing the risk of liquefaction.	Development Services	Development fees, General fund	By the end of 2004					
PS-8.5	Promote earthquake preparedness in the community with periodic earthquake awareness programs. The program could include mailing brochures to residences and businesses, press releases, school education programs and presentations to homeowner groups and property managers. Coordinate programs with Federal, State, and local emergency service providers and the school districts to maximize public participation.	Development Services, Brea-Clarks Unified School District	General fund	Ongoing					
PS-8.6									
SECTION XXII: NOISE									
PS-9.1	Ensure that new development is exposed to acceptable noise levels. Require acoustical analyses for all proposed development within the 60 dB CNEL contour as shown on Figure N-1 in the Noise Element. Also require acoustical analyses for all proposed residential projects in the vicinity of existing and proposed commercial and industrial areas. Where the noise analyses indicate that the noise standards in Table N-2 will be exceeded, require noise control measures to be incorporated into the proposed development to reduce noise to acceptable levels. Noise control measures may include berms, walls, and sound attenuating architectural design and construction methods. Only permit new development if the noise standards and the City noise regulations can be met.	Development Services	Development fees	Ongoing					PS-9.4 PS-9.5 PS-11.4
PS-9.2	Continue to enforce the City noise regulations to protect residents from excessive noise levels from stationary sources. The regulations provide protection from non-transportation related noise sources such as music, machinery, pumps, and air conditioners on private property. Periodically evaluate regulations for adequacy and revise, as needed, to address community needs and changes in legislation and technology.	Development Services	General fund	Ongoing					
PS-9.3 PS-9.5 PS-11.4	Use noise and land use compatibility standards to guide future planning and development decisions. Table PS-6 in the Noise Element summarizes the standards for acceptable noise levels by land use types. Table PS-6 in the Noise Element provides criteria for assessing the compatibility of future development with the noise environment. Review development proposals to ensure that the noise standards and compatibility criteria are met. Require mitigation measures, where necessary, to reduce noise levels to meet the noise standards and compatibility criteria.	Development Services	Development fees, Mitigation payment	Ongoing					PS-9.5 PS-11.4
PS-9.4	All City departments and agencies will comply with local, state and federal noise standards, including state and federal OSHA standards. All new equipment or vehicle purchases will comply with local, state and federal noise standards. Such equipment includes compressors, air conditioners, leaf blowers and other fixed and mobile machinery. Purchase noise-producing equipment with the necessary noise abating equipment installed.	Development Services	General fund	Ongoing					
PS-9.5 PS-11.5	Reduce the noise impacts associated with City services acquired through contracts with other public and private entities, such as street sweeping, solid waste removal and transport, landscaping maintenance, construction projects and emergency services.	Development Services	General fund	Ongoing					PS-11.5
PS-9.5 PS-11.5	Limit delivery or service hours for stores with loading areas, docks or trash bins that front, side, border, or gain access on driveways next to residential and other noise sensitive areas. Only approve exceptions if full compliance with the nighttime limits of the noise regulations are achieved.	Development Services	General fund	Ongoing					PS-11.5

Public Safety
Brea General Plan Implementation Guide

Policy	Implementation Program Description	Responsible Agency	Potential Funding Source	Time Frame	Related General Plan Element Policies				
					Community Development	Housing	Community Resources	Community Services	Public Safety
PS-10.1	Mitigate noise impacts to acceptable levels from transportation activity to enhance the quality of the community; incorporate noise control measures, such as sound walls and berms, into roadway improvement projects to mitigate impacts to adjacent development. Request Caltrans and the Orange County Transportation Corridor Agencies (OCTA), as well as Los Angeles Metropolitan Transit Authority (MTA) to provide noise control for roadway projects within the City and Sphere of Influence. Particularly, advocate reducing noise impacts from the SR-57.	Development Services	General fund, OCTA, Federal grants	Ongoing					PS-10.2
PS-10.1	Coordinate with the Orange County Sheriff's Department and the California Highway Patrol to enforce the California Vehicle Code pertaining to noise standards for cars, trucks, and motorcycles.	Development Services	General fund	Ongoing					
PS-11.1	Provide written information describing methods of retrofitting existing structures and properties to reduce noise impacts, including sound insulation, double-pane glass windows, sound walls, berms and other measures.	Development Services	General fund	Ongoing					
PS-11.2	Enforce the provisions of the State of California Noise Insulation Standards (Title 24) that specify that indoor noise levels for multi-family residential living spaces shall not exceed 45 dB CNEL. The Title 24 noise standard is defined as the combined effect of all noise sources and is implemented when existing or future exterior noise levels exceed 60 dB CNEL. Title 24 requires that the standard be applied to all new hotels, motels, apartment houses and dwellings other than single-family dwellings. Also apply the standard to single-family dwellings and condominium conversion projects as official policy.	Development Services	Development fees, Mitigation payments	Ongoing					
PS-11.3	Require all construction activity and special events to comply with the limits established in the Noise Control Ordinance. Review the Noise Control Ordinance for adequacy and amend as needed to address community needs and development patterns.	Development Services	Development fees, General fund	Ongoing, Repeal ordinance by end of 2004
